

	<b>Bayan College</b>		
	<b><i>Research Policy</i></b>		
Doc No: PP/Gov	Version: 1.0	Effective Date: 01.10.10	Page No: 1

***This policy pertains to all research conducted by or at Bayan college. A committee for research and studies has been formed to help in integrating research and educational activities, provide optimal conditions for conducting research activities, disseminate research culture to the college's stakeholders and the community, boost the college's reputation and the knowledge and experience of its stakeholders and encourage the student involvement in research***

#### ***General Principles***

- 1. The researchers retain the right to select the subject matter of their research and they are responsible all conclusions reached in these research works. Priorities are given to works related to the college's goals and objectives, particularly specialities taught in the college.***
- 3. All research work associated with Bayan college should receive appropriate approvals prior to their commencement.***
- 4. College staff involved in research funded by the college must disclose, in writing to their HoD any situations that may be understood as Conflict of Interest (Conflict of Interest exists where the researcher has the intention / effect of advancing his/her own interests or the interests of his family members .***
- 5. Bayan college respects Omani and International laws and agreements regarding the use of copyrighted works***
- 6. The College holds researchers and scholars responsible for conducting their research in strict adherence to ethics standards, Including recognizing the contributions of all collaborators; obtaining written permission of authors before using their publications; seeking and obtaining approval of the College's Research & studies committee***
- 7. All research activities should support the college's vision, mission and strategic plan***

***8. All research works related to the advancement of teaching and learning strategies of Bayan college will be partially/fully funded. The copy right of such works will belong to the college.***

***9. All applications for attending/ participating in conferences/ symposia should be submitted to the research and studies committee for consideration.***
