

### **Subject/ Bayan College Alumni Meeting**

- Dr. Nader Samy, the Acting Dean, opened the meeting followed by Dr. Fadhil Mohsin who stressed the purpose of the meeting which was the continuation of communication between the Bayan College and its alumni, on one side, and among the alumni themselves, on the other. Dr. Fadhil has also referred to the College's priority to update the alumni with the new knowledge and information related to their fields of specialization through workshops, forums, and lectures; and to direct and help them find job opportunities.
- Mr. Atta Al Adly gave a presentation on Bayan College, its development and the increase of the students and graduates' number. The presentation stressed the outstanding improvements that occurred in the academic departments, the recently established departments, and the future capabilities of the College on offering M.A. Program in Media and Visual Communication BA as they both will add value to the other programs in the College. Mr. Atta has also assured that the Admission and Registration Department has been ready to exert its efforts to help the success of Bayan College Alumni Association.
- The alumni have expressed their view points of the College and the quality of education it had, and their attitudes towards the academic and non-academic departments.
- Bayan College Alumni Association members have elected a chairperson, a vice-chairperson along with the new members.
- The attendees suggested holding a conference that should include all Bayan College alumni to promote the Association's work. They all agreed on having another meeting that should be appointed nearby.
