

## full accreditation

The Oman Authority for Academic Accreditation and Quality Assurance of Education (OAAAQA) has awarded full accreditation to Bayan College for the academic years 2021-2026.

The OAAAQA is established to regulate the quality of education in the Sultanate of Oman and to ensure international standards are met and to encourage internal quality assurance systems.

OAAAQA evaluates an institution based on nine standards as follows: 1) Governance and Management 2)

Student Learning by course-work programmes 3) Student Learning by Research Programmes 4) Staff research and consultancy 5) Industry and community engagement 6) Academic Support Services 7) Students and student support services 8) Staff and Staff support services 9) General support services and facilities.

The Quality Assurance Office and the quality management committee of Bayan College prepared the college for the OAAAQA Audit.

The Head of the Media Department said that the

prestigious accreditation is truly another feather in Bayan College's cap.

"It's really a very happy, proud, and absolutely amazing moment for me that we are now an OAAAQA accredited institution," he said, adding that, "In the accreditation process, the highest priority is given to qualitative indicators, and we completed it efficaciously. This indicates our mission and vision for quality education, value for teamwork, and commitment towards the multifaceted development of society."

He further said that

the credit for this remarkable success must go to Bayan College's management, the quality assurance team, and the entire Bayan College staff for their support and confidence. Bayan College, with its rich academic standards, extremely qualified and skilled faculties, and programs in various professional disciplines, undoubtedly claims that we are the pioneering media college in the Sultanate.

Head of the Department, General Foundation Programme, congratulated the Bayan family for this

achievement. "Accreditation means quality. Bayan College has always stood for quality and accreditation from OAAAQA endorses the certification Bayan College received from Accreditation Service for International Schools, Colleges and Universities (ASIC) and American International Accreditation Association for School and Colleges (AIAA) and the quality education provided," he said. "Bayan College went through a rigorous quality check during this accreditation process maintaining all standards specified by

OAAAQA. This is a proud moment for the college and all its stakeholders. It is also a proud moment for me as a staff member of Bayan College who was involved in this process."

"We, the staff at Bayan College, are thankful to Dr. Modi Juma Al Ghailani, Founder and Chairman of the Board of Directors and Dr. Modi Juma Al Ghailani, CEO, for their valuable guidance, support and their vision of making Bayan College the leader in higher education in Oman and the region," he said.

## Dr. Modi Juma Al Ghailani receives ASIC award for Innovation in Education

Dr. Modi Juma Al Ghailani, Chief Executive Officer (CEO), Bayan College, received ASIC's (Accreditation Services for International Schools, Colleges and Universities) Chairman's Outstanding Achievement Award for Innovation in Education.

The award is given for the contribution of the governance in implementing innovative ideas for delivering quality education. ASIC is an independent UK quality assurance body specializing

in the institutional accreditation of education providers worldwide.

The award is also in recognition of continuous contribution in the field of education and the innovative approach initiated by the institution during this pandemic situation and for imparting quality education.

The other awards accorded to Dr. Modi Al Ghailani include; 'Women of the Year' (ASIC), 'Outstanding leadership and accomplishment' award (Purdue University Northwest USA).

ASIC is recognized by UKVI in the UK, it is also a member of the CHEA International Quality Group in

the USA, and is a member of the British Quality Foundation.

ASIC is also providing auditing services to Saudi Arabian Government. ASIC is a member of BQF (British Quality Foundation), EDEN (European Distance and E-Learning Network), AIEA (Association of International Education Administrators). It is also member of UN Academy Impact group. Dr. Modi Al Ghailani also received special appreciation from Missouri S&T in 2019.

Dr. Modi Juma Al Ghailani

# Bayan College implements Strategic Plan 2021-2026

Bayan College has introduced and released a new Strategic Plan for the year 2021-2026 which is well aligned with the Vision 2040 of Oman and Ministry of Higher Education, Research and Innovation (MOHERI) ten year plan.

The Strategic Plan was drafted by a steering committee which considered all aspects of national, regional and global strategic plan requirements.

College Council initially approved the plan after discussion and the final approval was done by the Board of Trustees (BoT) and Board of Directors (BoD) after going through lots of refining process which included among other things, taking feedback from the stakeholders, industry and affiliate university. The new Strategic Plan has five goals.

The five strategic goals include the following: To provide effective and efficient Planning and Management.

The well-equipped library at Bayan with updated resources to meet students' requirements

To provide effective Teaching and Learning. To be recognized for our research activities that are aligned with the national strategy. To provide excellence in student support services and make Bayan College the employer of choice among higher education institutions in Oman.

As Part of the Strategic Plan for 2021 -2026, the college has also aligned its vision, mission and core values to fit within the College's strategic plan.

The new vision, mission and core values are reaffirmed as follows:

## Vision

To be recognized as a leader in higher education in Oman and the region in the provision of excellence in teaching and learning and quality research.

## Mission

To provide quality education resulting in highly qualified graduates that are leaders in their field, dedicated to serv-

ing their communities and contributing to the national sustainable development.

## Core Values

Excellence in teaching and learning: We strive for excellence in all our academic pursuits resulting in graduates that will be leaders in their professions. Integrity: We are committed to demonstrate the highest social and ethical values and standards of professional and scholarly ethics.

Creativity and innova-

tion: We are committed to create dynamic and innovative solutions in all aspects of our work for a better future.

Collaboration, empowerment and social responsibility: We believe in the power of working together, providing motivation and opportunities to achieve results and adhere to corporate social responsibility in all our actions to ourselves, our stakeholders and the community at large.

Diversity, inclusion and cultural authenticity: We value all aspects of diversity and foster cultural, racial, gender and religious tolerance to ensure a vibrant learning community. Environmental responsibility: We respect our environment and are committed to continuous environmental improvements and incorporate sustainability in all processes involved in our operations.

Identity: We hold institutional pride and belonging to the organization and the country at large.

## Bayan College completes GFP audit process

General Foundation Program (GFP) of Bayan College completed the audit process by OAAAQA.

GFPs are implemented by all HEIs in Oman to support and develop students' skills and knowledge in four areas of study: English Language, Mathematics, Computing and General Study Skills.

The Quality Audit is the first stage in the accreditation process of GFP which is designed to encourage universities and colleges to develop their internal quality management system. The first stage of the audit process was a self-study report which was submitted in August 2021. OAAAQA evaluates the program based on four scopes: 1) Governance and Management 2) GFP student learning 3) Academic and Student Support Services and 4) Staff and Staff support services.

## New programmes at Bayan College

Bayan College has introduced three new programmes: 1) The Bachelor of Arts in Human Development and Family Studies; 2) Masters in English Language and Literature; 3) Masters in Communication.

The Human Development and Family Studies major concentrating in Individual and Family Services is mainly aimed at students looking to work with adolescents or adults in the realm of human services.

The Masters in English Language and Literature is aimed at students looking to increase their understanding of the English language

and bring it back into the real world, whether as a teacher, copywriter or translator. Graduates in English can look forward to a world of English that they may not have seen before.

The Master in Communication aims at giving an in-depth understanding on the work of media across social, economic and cultural contexts guaranteeing high quality media professionals.

This program focuses on the ever-changing field of communication studies and the latest methodologies needed for the understanding of mass communications, rhetoric, media ethics and research.

**BOOK EXHIBITION:** A book exhibition was held on the premises of the Bayan College. The week-long exhibition was organised by Daleel Books.

## FACULTY DEVELOPMENT PROGRAMME HELD

Dr. Abhishek Singh, Head of Media Studies Department, participated in an International virtual E- Faculty Development Program (FDP) organized by Jharkhand Rai University in India.

The FDP organised in July, 2021, via MS Teams was conducted under the theme: 'Intellectual Property rights and their Application'. The main aim of the program was

to provide an understanding on the use of intellectual property and its significance.

In his presentation, Dr. Abhishek highlighted the relevance of the use of research papers in academic development and its benefits for the academic fraternity.

"Research in education is becoming increasingly relevant in the current scenario. Apart from ensuring an in-

depth knowledge of a topic, scientific and historical research papers also contribute to the world of knowledge. The research papers can be used by teachers to support their teaching pedagogy," said Dr. Abhishek.

"It's very crucial to understand the need and the role of scientific research in society and for the development of information-based teach-

ing and learning systems." He further stated that teaching methodologies will undoubtedly evolve if teachers conduct research and analysis on the subject.

"This is referred to as research-oriented teaching, where the educators are engaged in acquiring knowledge and information outside the textbook to get modern and innovative information."

# ACADEMIC ADVISING WEEK FOR FALL SEMESTER 2021-22

Academic Advising Centre

## ADVISING WEEK Fall 2021-2022 19<sup>th</sup>-23<sup>rd</sup> December 2021

### Reach your Advisor

How: *In-person or using Canvas LMS system*  
Time: *As per advisor office hours stated to you by your advisor*

**Academic Advising**

- Get help on your degree plan
- Choose a major and career
- Find support for your academic career
- Register for your courses
- Prepare for graduation
- Get engaged on campus
- Explore campus resources

For any queries, contact: Academic Advising Centre Coordinator, Ms. Melanie Marian Crasta

Bayan College along with the Academic Advising Center, conducted the Academic Advising Week (held every semester) from December 19, to December 23, 2021. The participants included academic advisers and their respective advisees.

Every semester, students were encouraged to seek guidance of their advisers during their office hours or online (as per their attendance) to discuss their present state within the college.

Students are urged to speak about any issues they

Every semester, students were encouraged to seek the guidance of their advisers during the office hours on online (as per their attendance) to discuss their present state within the college

may face and their future prospects within or outside the college.

These issues can range from studies, courses, their grades and even mental health. Students who require emotional support were directed to the college counselor. Overall, the process went smoothly, and students eagerly met with their advisers and most of their queries were addressed during the sessions. The students were heard, and solutions were provided. The students who were interviewed after the session found it very useful.

## DEAN'S MESSAGE

# Result of hard work

The accreditation of Bayan College by OAAAQA comes as a result of the high quality of education and administration that Bayan College has pledged to keep since its establishment in 2006 under the wise guidance of Dr. Juma Saleh Al Ghailani, Chairman of the Board of Directors.

The accreditation which is an acknowledgment of the hard work of the management, administration and teaching staff shall enhance and support the efforts of Bayan College to become an educational attraction not only to Omani students, but to international students as well.

It affirms and encourages the College's efforts and plans to offer new programs on both the undergraduate and graduate levels. It also coincides with the new Strategic Plan 2021-2026 in which the College has set new goals and objectives that shall further enhance the quality of education and stakeholders' satisfaction.

Congratulations to Bayan College family on this outstanding achievement; hoping to achieve more international accreditation and recognition.

Interim Dean  
Dr. Lina Mohammad Ibrahim

## Orientation programme

See Page 4 for more details

## Cambridge University Press' ELT Training for GFP staff

Bayan College General Foundation (GFP) staff participated in the Cambridge University Press' ELT virtual training program in September 2021.

The training was facilitated by Dr. Peter Lucantoni, Professional Learning and Development Manager at Cambridge University Press and Assessment.

The renowned ELT trainer focused on the new teaching

methodologies to be employed in making the teaching learning process interactive and fun. The faculty members were further updated on the latest developments in the new edition of Cambridge Unlock, which is followed as course book at General Foundation Program (GFP) in Bayan College. The facilitator also demonstrated and how to utilize the course books and the digital workbook to develop language

skills of students.

Another area of focus in training was on how to utilize the scaffolding technique used in the course to develop the communication skills of students. According to Ms. Wafa Al Nuamani, a GFP Faculty member, the session was extremely useful for the faculty members.

The session was followed by an interactive session where all the queries raised by

the faculty members were addressed. The virtual training session was also attended by Mr. Joshua O'Neil, the Business Development Manager of Cambridge University Press-Middle East.

Head of GFP Mr. Haneesh Kumar thanked the facilitator and the organizers of the virtual training and pointed out that such trainings are essential for the professional development of the staff.

# ORIENTATION PROGRAMME HELD

Bayan College organized an Orientation Week for new students for the academic year 2021-22.

The program was conducted fully adhering to the Covid -19 guidelines laid down by the Supreme Committee and the directions from MoH and MoHERI.

The program was organized by General Foundation Program in coordination with Student Affairs Office and Admission and Registration Department.

Detail induction was given on health and safety protocol, college vision and mission, rules and regulations and important policies.

A college tour was organized to familiarize students with the campus. On the welcome day, Mr. Haneesh Kumar, Head of General Foundation Program, welcomed the gathering.

"Your new life begins here at Bayan College. In the next four years, you are go-

Senior students and instructors explain the facilities

ing to transform in ways that you were dreaming. The people around you will inspire you to reach your goals and dreams," he said.

In the Dean's Address Interim Dean Dr. Lina

Ibrahim stressed on the need to follow COVID protocol to ensure health and safety on Campus. Heads of all academic and non academic departments also spoke.

Mr. Haneesh Kumar welcoming the students

**"Your new life begins here at Bayan College. In the next four years, you are going to transform in ways that you were dreaming. The people around you will inspire you to reach your goals and dreams"**

## EDITORIAL

# Our platform

It gives me immense pleasure and a great deal of satisfaction that we are releasing another issue of Bayan Post. The aims are to provide a platform for the students as well as faculty to share their knowledge and also to express their artistic selves. The Bayan Post is a mirror of our campus life, our achievements and dedication towards quality education and the knowledge-based development of students. I am happy to see that we have worked so actively and enthusiastically throughout the year and organized many activities despite the ongoing pandemic; we have attempted to bring out the talent concealed in our academic community. It proves the presence of cooperation and commitment amongst all the members of the college, may it be students or teachers. The best thing about this Bayan Post is that it represents the creative side of students as well as our honorable teachers too, to a fair degree—something that we think we all need to connect with.

Frankly speaking, the Bayan Post is a commendable success of Bayan College in the given situation when the COVID-19 pandemic made even our day-to-day life most difficult. After experiencing lockdown shock, isolation, a lack of human touch, and face-to-face interaction during the fall semester, Bayan College has found a way to live on campus, when we all met in physical mode, the challenge was to start with new energy. I must say, despite the considerable situation, student responses showed a high degree of positivity and enthusiasm. On a positive note, we have managed to sustain our desire for knowledge and continued teaching-learning and other extracurricular activities through online platforms and are now in the same physical mode as usual. These entirely express our commitment to expanding our horizons for quality education and academic activities.

I am confident that this spirit will continue with the same zeal. We hope you enjoy reading this issue of Bayan Post as much as we have enjoyed making it. Let me extend my sincere thanks to the BC Honorable management, respected dean, all staff and faculty members for encouraging and motivating the students to bring out this newsletter.

Dr. Abhishek Singh  
Head, Department of Media Studies

# Bayan College Staff attend Arab Social Media Forum

Instructors from Bayan College attended the 8th Arab Social Medium Forum held in Dubai on September 22, 2021.

The forum, organized by Mangusteen Company in partnership with PAZ marketing, discussed the latest challenges, trends and opportunities in social media during the pandemic.

The event consisted of six main sessions and two individual talks.

The first session was about 'The Rise and Fall of Digital Services and Business' and it explored the growing interest of people to use digital services due to the lockdown. The second discussion was on 'Innovation in Government and Medical Entities', which focused on the way the government has worked to minimize the effect of the pandemic in the country by finding fast solutions.

The third session was on the 'Future of Social Media' and it emphasized the increasing dependence of the audience on social media and the bright future.

The fourth session was about 'The Revolution of User Generated Content'. The session dealt with the increase in number of people who are able to create their own content bringing various view points and creativity.

The fifth topic was 'The State of Influencer Marketing' and the numerous benefits that could come up from using influencers in marketing. The final talk was on 'The

Traditional Media vs New Media', which discussed the advantages and disadvantages of both traditional and new media. The event started with a welcome keynote from the

founder of Arab Social Media Forum, Mr. Malik Shishtawi.

The Arab Social Media Forum was founded in 2010. It is the first specialized event in the Arab region to target

social media topics sharing both clients' and agencies' experience in dealing with social media platforms and different audience engagement strategies.

## Paper on assessment of media convergence, social media presented

Mr. Samuel Mundua, Senior Lecturer, Department of Media, made a presentation at a virtual conference organized by the School of Media and Communication, Manipal Academy of Higher Education, Dubai Campus on February 18, 2021.

The main theme of the conference was: Reimagining the Media and Entertainment Landscape during COVID-19 Pandemic. The title of Mr. Samuel's presentation was 'An assessment of media convergence and its implications on social media audience response patterns during Covid-19

Pandemic in Oman'.

The presentation focused on how media organizations are influencing social media audience response patterns during Covid-19 pandemic in Oman.

The paper attempted to explore the implications of the practice of media convergence as a strategy in influencing social media audience response patterns through quantitative approach. It intended to specifically assess the social media audience response patterns on converged media content on Facebook, Twitter and Instagram during the Pandemic.

## Paper on impact of digital media presented

Ms. Kavitha Sumesh Kumar, Director of Institutional Planning and Effectiveness and Dr. Abhishek Singh, Head of the Department of Media made a presentation at a virtual conference organized by the Al Falah University on May 20, 2021.

The main theme of the Dubai 4TH AFU International Conference Towards Advanced Scientific Knowledge (TASK-2021) was Scientific Research in the Present Crisis Era.

The sub-themes of the conference emphasized the perspective of intersection between social sciences and other fields of knowledge.

The title of the research paper presented was 'Digital Media and sociocultural transformation - A study of Graduate students in Oman'.

Ms. Kavitha's and Dr. Abhishek's presentation

mainly focused on the way new generation were getting influenced by the present digital media.

The study was mainly on the young students and change in their behaviour.

The main reason for the study was to examine the practical impact of social media on the sociocultural values of undergraduates.

Conclusion of the study showed that majority of undergraduates who use new media are having severe behavioural transformation. The study found that the use of new media affects the social cohesion of undergraduates. It has also been found that the use of new media has adverse effects on the culture of undergraduates' students. The methodology used in this study was primary in nature and data collected through questionnaire (online).

## WORKSHOP ON LITERATURE REVIEW AS A RESEARCH PROCESS HELD

Mr. Samuel Mundua, Senior Lecturer, addressing the participants at the workshop

A workshop on 'exploring technicalities in literature review as a research process' was held at Bayan College. The workshop was conducted by Mr. Samuel Mundua, Senior Lecturer of Media Studies, Bayan College.

The objective of the workshop was to equip academic staff with the much needed technicalities of the process of conducting, organizing and presenting litera-

Mr. Samuel explained the characteristics of effective literature review, the most encountered literature reviews and analysis tasks of literature review

ture review for scientific research purposes.

The workshop introduced the concept of literature review as a research process and specifically explained the technical aspects of conducting literature review.

Mr. Samuel Mundua, Senior Lecturer, explained the characteristics of effective literature review, the most encountered literature reviews and the analysis tasks of the

literature review.

At the end of the workshop all participants were equipped with research skills on how to identify the right literature for their studies, to understand the different types of literature review and above all, acquaint themselves with the techniques of the literature review process.

All academic staff and non-academic staff took part in the workshop.

# Bayan College welcomes international students

Sara Anna on the college premises.

The academic year 2021/2022 started off on an exciting note. In Fall 2021, Bayan College opened its doors to receive two international students as part of the College's plan in welcoming multicultural students.

One of the beneficiaries of Bayan College's openings for international students is Sara Anna Rigotti from Germany.

"I am fortunate to have been warmly welcomed by the authorities and classmates. It was a new experience for me. After arriving in Oman in early October, I was excited to physically come to college and see other students after a year-and-a-half of online classes at my home university," said Sara. Sara, who is in an exchange program, was previously studying at Freie Universität (university) Berlin for her bachelor's degree with a major in journalism and communication studies and a minor in political science.

Yein Oh attending an online class

"I have many practical courses at Bayan College under the Journalism major and am very excited to learn more from the practical field of journalism and to be able to apply the knowledge and skills in specific cases, for example in creating my own magazine layout in the Publication Design course. Visual Communication and Introduction to Photography are motivating and real fun for professional and personal life," said Sara.

Sara said that it was very

valuable for her to study in another country and to get to know another culture, people, habits and their food. "I am very happy about my time here, as it was not clear for a long time whether the exchange semester could take place due to the pandemic. I am sure that I will be able to take many new insights back to Berlin, both academically and personally," Sara said.

Another international student at Bayan College is Yein Oh from South Korea. She was excited too on join-

ing Bayan College in Fall 2021 semester.

"My first day in Bayan College was very exciting. The teachers and the staff were lovely. They helped me in all my admission and registration procedures."

"After that I didn't meet my classmates face to face, because I am doing an online class. I am really interested to see my classmates. I wish I could meet them and get close to them soon," Says Yein Oh. Never-the-less, she is enjoying her online classes through the college's Learning Management System (LMS)-Canvas.

"Honestly, I don't like being outside much. So, I am pretty enjoying my online classes with Bayan College. Sometimes there are Internet issues where I stay, but it is not a big deal for me. I think I am almost used to my schedule and alert in my studies. I am looking forward to more good experiences and nice memories of this college." Said Yein.

## STUDENTS BACK TO COLLEGE AS USUAL

Students are back to college as usual at Bayan College this Fall Semester.

With the outbreak of COVID-19 pandemic in March 2020 students were restricted from entering campus as per directions from the Supreme Committee.

All the classes were conducted virtually through CANVAS LMS to ensure the safety of students and to ensure that the learning process was not hindered. Since then all students were learning at the comfort of their home through virtual mode. From Fall 2021-22, the College decided to start the classes physically on Campus.

General Foundation Program has 100 per cent students on campus.

According to Ruqaiya a level -2 Foundation student "we are very excited to be back on campus to see our friends and interact with our teachers. We missed the last part of our school education due to Covid pandemic, however we feel lucky to start our college

Students at the lobby of the college.

Students at the Writing Support Service centre.

education on campus. We thank Bayan College for the excellent welcome offered to us and the facilities provided

to keep us safe."

The Writing Support Services also opened its doors to receive the students in the fol-

lowing the safety protocol.

Separate schedule were allocated to provide necessary support to the students in need. The Writing Support Services (WSS) functions in collaboration with the academic departments' staff to enhance the students' writing skills.

In addition, the WSS provides the students with advises regarding the comprehension and organization of their assignments.

The WSS was introduced to the new students during the induction week, which was organized by the GFP. The WSS provides a ten-minute visit to the classrooms to introduce and create awareness on the services offered.

The use of the service by students showed over 40% increase during the Fall Semester. A number of students showed a marked interest in improving their spoken language. The writing support services since its establishment, has provided the students with enormous support.

## STUDENTS COUNCIL ELECTIONS HELD

Bayan College organized the Students Advisory Council elections for the academic year 2021-2022.

The students who were elected are: Al-Khalil Al-Barashdi (Head of the Council), Humaid Al-Awfi (Deputy of the Council), Dbayeh Al-Harassi (Head of the Student Services),

Mahmoud Al-Raisi (Head of the Activities and Initiatives), Nour Al-Brashidiy (Head of the Academics).

Azhar Al-Hadrami, Suhail Al-Nahdi, Al-Azhar Al-Subhi, Muhammad Al-Maamari, Muhammad Amr and Al-Mu'tasim Al-Amri are members of the council.

## BAYAN COLLEGE ORGANIZES CLUBS' OPEN DAY

Students Affairs Department organized an Open Day for the clubs in the college in November, 2021. The student clubs showcased their activities through their counters on the college premises.

The event allowed the students to discover the clubs'

activities and join the one that matches their skills, abilities and interest. Students showed immense enthusiasm and many registered in various clubs like Photography, Public Relations, Media, Journalism, English, Theater, Arts, Literature and Sport.
